

The University of Texas at Tyler  
**COLLEGE OF NURSING AND HEALTH SCIENCES**

2018-19

Accelerated BSN (Post-Baccalaureate Students)

The purposes of the Bachelor of Science in Nursing program are to provide students with the opportunity to acquire knowledge useful to nurses as generalists at the baccalaureate level, to improve the quality of nursing care in the community, and to provide students with the opportunity to acquire a base for graduate study. The Accelerated BSN Track is designed for students with a previous bachelor's degree who wish to pursue a Bachelor of Science Degree in Nursing (BSN) in 16 months.

\*\*Courses are recommendations; multiple options exist within the noted core component area. Please consult the catalog or your advisor for a list of additional courses acceptable for that core component.

The listed prices do not include books or cost of additional needed programs. Cost is subject to change.

Total credit hours must equal at least 120. Students must complete 30 hours or more in residence at UT Tyler; 42 hours must be upper-division coursework.

Consult with your advisor for additional information on degree requirements and schedule planning. This is only a recommended outline. Because degree requirements and course offerings do change, you should consult an advisor as well as the University Catalog, which is the only official document regarding degree requirements.
