

Welcome to **Nurse as Educator!**

This course emphasizes the need for and application of research foundations in the role of nurse as educator. This course applies to all nurse educators, not just those in academia, for education is a critical part of what nurses do. Education takes place in nursing classrooms, in staff education settings, and in the clinical setting with patients, families, and communities. The purpose of this course is to hone your skills as a nurse educator, evaluate the evidence that guides our educational practices, examine the relationship between education and research, and consider the future of nursing education.

Course Title: NURS 6354: The Nurse as Educator

Course Description

Educational principles, learning theories, and pedagogical approaches are utilized to develop culturally sensitive teaching strategies for diverse student and community-based populations. Solutions to education access and nursing workforce situations will be explored and studied.

Prerequisites

Credit Hours: 3 semester credit hours.
Prerequisites: Acceptance to the doctoral program is a prerequisite for this course.

Student Learning Outcomes

Upon successful completion of the course, the student should be able to:

1. Utilize educational principles, learning theories and pedagogical approaches to develop culturally sensitive teaching strategies for diverse student/community-based populations.
2. Utilize evidence-based educational strategies in the role of nurse educator.

3. Critically appraise current challenges and the factors influencing the future of education on global health.

Textbook Information

No textbook is required.

Course Calendar/Schedule

The course calendar and schedule may be viewed by accessing the documents located in the Syllabus/Orientation folder titled Getting Started.

Grading Information

The graded work required for this course includes:

Program Development – 50%

Manuscript – 50%

Total of 100%

Five (5) points will be deducted for each day an assignment is late. Late assignments are accepted only if arrangements have been made with the course instructors prior to assignment due date

Specific guidelines and grading criteria are located in the respective modules. Final grades for the course will be determined based upon the following point assignments:

A - 90-100

B - 80-89

C - 70-79

D - 60-69

F - Below 60

Instructor Feedback

Instructor Feedback will be given by **one week** after submission unless otherwise notified of a delay by the instructor.

CRITERIA/ POINTS	<80	80-89	90-100
Format and logical progression of posting	Spelling and grammar errors (more than 2) detract from the substance of the posting; random thoughts with no sense of a plan to reach a logical conclusion. No clear main idea or direction for flow of information.	Few (2 or less) spelling and grammar errors, form is basic but easy to follow	Form is superior; obvious attention to proofreading and grammar. Main idea is stated early and clearly; argument or ideas are built using a logical progression of thoughts stated clearly and succinctly.
Depth and relevance of post to the topic at hand	Posting shows superficial thinking based on personal experiences or opinions only, there is little consideration of contributions to the topic in the literature or from colleagues. Literature support is not relevant to the topic or major literature contributions are missing. Post strays from topic with much irrelevant information and does not address the intent of the assignment. No references cited	Basic idea is presented, reflects some critical thinking, correct and fairly well stated, one reference cited	Posting clearly shows evidence of critical thinking and analysis expected of a graduate student. Ideas offered are relevant to the topic and show the ability to extrapolate complex ideas from various sources into a coherent argument or statement(s). Two or more relevant references cited; cited references are appropriate and indicative of the best knowledge on the topic.
Application to the teaching role	Posting is largely aimed at self-expression without consideration of the reader. There is no room for dialogue or disagreement and no acknowledgment of the potential contributions of others. The posting is a rehash of old ideas without consideration of how these can advise the future. No evidence is found of	Posting considers the reader and may include new information but discussion not in depth	Posting shows an astute awareness of the needs of a potential faculty member with an interest in growth and knowledge acquisition; attempts to move colleagues into meaningful dialogue and presents creative approaches that are open to discussion. Post contributes to the scholarly community, presented in a clear, enlightening, and engaging way.

Discussion Board Postings - Grading Criteria

The purpose of the discussion board in an online graduate program is to take the place of the class interchange that would occur in a face-to-face class. It is your opportunity to demonstrate your mastery of the assigned readings and your ability to supplement those readings with expanded exposure to related (and sometimes contrary) information that you will seek as you begin to understand and be informed. So, we will expect you to share ideas you have gained from the literature, noting the source when appropriate and interpreting into your own words. We will also expect that you will use a more complex thought process to dissect and analyze what you read in the literature and in the discussion thoughts of your fellow students as you offer your own insights. The following includes guidelines and allow you to see thinking process we will use to assign a grade to the discussion board exercises.

Participation Expectations and Discussion Assignments

- Quality of answers is as important as quantity. A participant's comments should add to the discussion. Comments should be supported as required with references cited appropriately.
- Note: When posting to the discussion area, please type in your comments directly into the discussion. Do not type your comments into a document and then attach it to the discussion-this method is difficult for some students to access.

Email

To communicate by email within the course with other participants or all participants, click the Communications link on the left side of the Blackboard frame. Click Send E-mail to send a message. You are able to send messages to All Users or Select Users in the course, including the instructor. If you need more instructions on how to send email messages with Blackboard please read the student manual located in the Resources area of the course.

Instructor emails is: jpost@uttyler.edu

Questions or problems other than technical problems (see Technical Requirements in this Syllabus) may be submitted to the email address above.

Digital Library Resources

Students enrolled in this course have online access to the UT Tyler [Robert R. Muntz Library](#). Follow this link, and then complete the instructions at those sites for accessing information from a distant site. Many of the database subscriptions funded by student fees give you access to full text journals that you will need for your review of the literature in each course. If a particular journal is not available, the library staff will procure the article for you using the Iliad feature. Please take the time to update your account and get familiar with the resources available.

Technical Support

If you experience technical problems or have a technical question about this course, you can obtain assistance by emailing itsupport@patriots.uttyler.edu

When you email IT Support, be sure to include a complete description of your question or problem including:

- The title and number of the course
- The page in question
- If you get an error message, a description and message number
- What you were doing at the time you got the error message

You may also visit the Help Tab in Blackboard for helpful information.

University Policies

Students Rights and Responsibilities

To know and understand the policies that affect your rights and responsibilities as a student at UT Tyler, please follow this link: <http://www2.uttyler.edu/wellness/rightsresponsibilities.php>

Grade Replacement/Forgiveness and Census Date Policies

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date is the deadline for many forms and enrollment actions that students need to be aware of. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a "W" grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid

State-Mandated Course Drop Policy

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date).

Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.

Disability Services

In accordance with Section 504 of the Rehabilitation Act, Americans with Disabilities Act (ADA) and the ADA Amendments Act (ADAAA) the University offers accommodations to students with learning, physical and/or psychiatric disabilities. If you have a disability, including non-visible disabilities such as chronic diseases, learning disabilities, head injury, PTSD or ADHD, or you have a history of modifications or accommodations in a previous educational environment you are encouraged to contact the Student Accessibility and Resources office and schedule an interview with the Accessibility Case Manager/ADA Coordinator, Cynthia Lowery Staples. If you are unsure if the above criteria applies to you, but have questions or concerns please contact the SAR office. For more information or to set up an appointment please visit the SAR office located in the University Center, Room 3150 or call 903.566.7079. You may also send an email to cstaples@uttyler.edu

Student Absence due to Religious Observance

Students who anticipate being absent from class due to a religious observance are requested to inform the instructor of such absences by the second class meeting of the semester.

Student Absence for University-Sponsored Events and Activities

If you intend to be absent for a university-sponsored event or activity, you (or the event sponsor) must notify the instructor at least two weeks prior to the date of the planned absence. At that time the instructor will set a date and time when make-up assignments will be completed.

Social Security and FERPA Statement:

It is the policy of The University of Texas at Tyler to protect the confidential nature of social security numbers. The University has changed its computer programming so that all students have an identification number. The electronic transmission of grades (e.g., via e-mail) risks violation of the Family Educational Rights and Privacy Act; grades will not be transmitted electronically.

Emergency Exits and Evacuation:

Everyone is required to exit the building when a fire alarm goes off. Follow your instructor's directions regarding the appropriate exit. If you require assistance during an evacuation, inform your instructor in the first week of class. Do not re-enter the building unless given permission by University Police, Fire department, or Fire Prevention Services.

Course Evaluation

UT Tyler may ask you to complete a voluntary evaluation to help them make improvements and adjustments in their overall online learning forums.

Also, an end of semester evaluation specifically for this course will be made available for you to complete in the last week of instruction. Your comments and recommendations will be considered seriously as the course is updated. Your input throughout the semester contributes to our commitment to improve continually the quality and relevance of this course.

Netiquette Guide

"[Netiquette](#)" is network etiquette, the do's and don'ts of online communication. Netiquette covers both common courtesy online and informal "rules of the road" of cyberspace. Review and familiarize yourself with the guidelines provided.

Completion Time

You should expect to spend as much time on an online course as you do in a face-to-face course. As a rough guide, you should plan to spend six to ten hours per week on this course. The actual amount of time will vary from individual to individual. This estimate includes the time you spend in reading, discussions, and assignments.

You will have access to most of the course materials from the start of the course to the end. You may look and study ahead, or go back and review, at any time during the course. All assignments have set due dates. Due dates are as of midnight Central Standard Time on that date.
