The student must achieve an average of 80% to successfully complete the course.

(Please note: Written Assignments will be submitted through Safe Assign. SafeAssign is a feature provided by Blackboard that is designed to detect plagiarism or non-original student work. Your instructor may set up this feature so that when you submit papers, they are automatically sent through SafeAssign. The program checks your work against a comprehensive database of source material including previous students' work and other papers and materials found on the web. An originality report will be generated that indicates the percentage of non-original material (text that matches existing sources) found in your paper. The purpose of using SafeAssign in your course is to ensure you are writing original papers and to encourage you and all students to properly attribute all sources used.)

**ACADEMIC INTEGRITY:** Students are expected to assume full responsibility for the content and integrity of all academic work submitted as paperwork and examinations. The official policy is available in the *Graduate Nursing Student Guide* and the *UTT Student Guide*.

**EXPECTATIONS OF STUDENTS**

1. Participate in course learning activities. These activities will focus on application of concepts presented in required reading.
2. Students are responsible being familiar with all course expectations to include information provided within the syllabus and all the information and announcements posted in Blackboard.
3. **\*\*\*Students are expected to check their university email and Blackboard announcements at least every 2 working days.\*\*\*** Since this is an online course much of the communication from faculty will be through Blackboard and email.
4. **Course Number (NURS 5337) along with issue in subject line in any emails to faculty to facilitate responses to student email.** Properly identified student emails are first to be read and receive a response.
5. Students are expected to make arrangements for online access to course even while traveling. Since this is an online course, lack of internet access during travel etc will not be considered an acceptable excuse for lack of timely participation in course activities.
6. All assignments will be turned in on the date assigned unless **PRIOR** arrangements have been made with the faculty. Late work will only be accepted at the discretion of the faculty. **If student finds it necessary to submit an assignment late, they are expected to request an extension at least 24 hours before assignment is due; provide a valid reason for requesting the extension; and provide an action plan for completion and submission of assignment to include planned day and time of submission. A five (5) point deduction may be**

*taken for each day the assignment is late.* [Calendar week begins on Tuesday and ends on Monday at Midnight. Faculty may **not** be available for assistance **after 4 pm on Friday until Monday am**]

7. All assignments including clinical logs and journals will be submitted to the appropriate assignment link. **NO** assignments will be accepted by email except at the discretion of the instructor.
8. Should students find it necessary to withdraw from the course for any reason, the student is strongly encouraged to notify the graduate nursing advisor and the course faculty as a matter of professional courtesy.

### **EXPECTATIONS OF FACULTY**

1. Respond to student emails and discussion board questions in a timely manner. Contact faculty again if you do not have an answer to your question after one working day.
2. Be available **by office phone or cell phone** during office hours posted under Faculty in Blackboard. (Instituting Zoom Office Hours)

### **CLINICAL REQUIREMENTS**

The following are required of each student in the course:

1. Thirty seven and a ½ (37.5) hours of clinical with a preceptor. This Preceptor is preferably a registered nurse who has either a Master of Science in Nursing (MSN), Master of Business Administration (MBA), or a Masters of Health Administration (MHA). Students are discouraged from using a preceptor who is in an educator role at the facility. Faculty to have final approval of a preceptor assignment. (Students may bank up to ten hours of clinical between semesters.)
2. Validation of a facility agreement/contract between clinical agency and the School of Nursing (SON). The SON is required to have a facility agreement/contract with any agency in which students are participating in clinical experiences. Students cannot start their clinical until this agreement is in place. Since some course activities are contingent on the clinical, the agreement must be in place within the first two weeks of the semester. If this is not the case the student may be expected to arrange clinical at another agency with whom the SON has an agreement or may be expected to withdraw from the course.
3. A signed preceptor agreement before starting clinical.
4. Notification of the education department at the respective facility (even if it is the student's place of employment) in which the student will be doing his or her clinical. Students will provide the required documents asked for by the education department i.e. confidentiality statement, proof of immunization requirements, etc.
5. Clinical objectives developed with the goal of developing his or her role as a nurse leader/administrator. Students to develop objectives before beginning clinical and are to share course and clinical objectives with preceptor.
6. A clinical log and three clinical reflective journals (CRJ) documenting his or her experiences (See Blackboard for template and requirements)

7. A signed clinical log and preceptor evaluation at the end of the clinical for the course. (Faculty will email preceptor with a link in which to evaluate the student online.)
8. Student may use an educational activity to meet up to five clinical hours. Activity must have some type of focus on Nursing Administration/Leadership and must include contact hours. In addition student must obtain faculty approval prior to the activity.

### **UNIVERSITY POLICIES**

The following University policies must appear on each course syllabus or be provided as an informational sheet (web-links to these policies may be used in the print or electronic syllabus) <http://www.uttyler.edu/academicaffairs/files/syllabuspolicy.pdf>.

#### **Students Rights and Responsibilities**

To know and understand the policies that affect your rights and responsibilities as a student at UT Tyler, please follow this link:

<http://www.uttyler.edu/wellness/rightsresponsibilities.php>

#### **Grade Replacement/Forgiveness and Census Date Policies**

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date is the deadline for many forms and enrollment actions that students need to be aware of. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a "W" grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment  
Completing the process for tuition exemptions or waivers through Financial Aid

**State-Mandated Course Drop Policy**

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date).

Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.

**Disability Services**

In accordance with Section 504 of the Rehabilitation Act, Americans with Disabilities Act (ADA) and the ADA Amendments Act (ADAAA) the University offers accommodations to students with learning, physical and/or psychiatric disabilities. If you have a disability, including non-visible disabilities such as chronic diseases, learning disabilities, head injury, PTSD or ADHD, or you have a history of modifications or accommodations in a previous educational environment you are encouraged to contact the Student Accessibility and Resources office and schedule an interview with the Accessibility Case Manager/ADA Coordinator, Cynthia Lowery Staples. If you are unsure if the above criteria applies to you, but have questions or concerns please contact the SAR office. For more information or to set up an appointment please visit the SAR office located in the University Center, Room 3150 or call 903.566.7079. You may also send an email to [cstaples@uttyler.edu](mailto:cstaples@uttyler.edu)

**Student Absence due to Religious Observance**

Students who anticipate being absent from class due to a religious observance are requested to inform the instructor of such absences by the second class meeting of the semester.

**Student Absence for University-Sponsored Events and Activities**

If you intend to be absent for a university-sponsored event or activity, you (or the event sponsor) must notify the instructor at least two weeks prior to the date of the planned absence. At that time the instructor will set a date and time when make-up assignments will be completed.

**Social Security and FERPA Statement:**

It is the policy of The University of Texas at Tyler to protect the confidential nature of social security numbers. The University has changed its computer programming so that all students have an identification number. The electronic transmission of grades (e.g., via e-mail) risks violation of the Family Educational Rights and Privacy Act; grades will not be transmitted electronically.

**Emergency Exits and Evacuation:**

Everyone is required to exit the building when a fire alarm goes off. Follow your instructor's directions regarding the appropriate exit. If you require assistance during an

evacuation, inform your instructor in the first week of class. Do not re-enter the building unless given permission by University Police, Fire department, or Fire Prevention Services.
