Week 13 11/27/17	Lesson 13 Chapters 12 Endocrine System:	Due 12/3/17 Read Chapter 12 Watch AV lectures Complete the exercises Take the TBA for Ch.12	Sunday 12/3/17 @ 10:59pm  Ch. 12 Exercises & TBA DUE
Week 14 12/4/17	Final Exam opens 12/4/17	Final Exam Due 12/10/17 Chapters 4, 5, 8, 11, 12, 13 50 Multiple Choice Questions Complete the course Posttest in MLL  Complete University Course Faculty Evaluation	Final Exam Due Sunday 12/10/17 @ 10:59pm  <i>Course ends 12/10/17</i>

## **1.0 NURS 3302: Medical Terminology**

### **SEMESTER CREDIT HOURS**

Three (3) hours didactic

**PREREQUISITE:** None.

### **1.1 COURSE DESCRIPTION:**

This on-line course will introduce the student to the medical terms used throughout all healthcare settings. The course is designed to prepare the student to use the terms in the correct context, and to interpret the terminology used in the healthcare arena. In addition, the course content introduces the student to major disease processes, medical procedures, and various pharmacological agents used to treat disease.

### **1.2 STUDENT LEARNING OUTCOMES:**

1. Identify personal learning style/styles and learn how to use individual learning styles to benefit learning, retaining, and testing of the course content.
2. Explore the origin of medical language used in the healthcare industry.
3. Identify, integrate and formulate basic medical terms using basic term components: prefix, root, combining forms, and suffix.
4. Identify and demonstrate understanding of common terms and abbreviations used in healthcare used to document in the medical record related to the major systems of the body.

### **1.3 REQUIRED TEXT & Plus Code Information:**

Finnegan, L., & Eagle, S. (23016). *Medical terminology in a flash! A multiple learning styles approach* (3<sup>rd</sup> ed). Philadelphia, PA: F. A. Davis. ISBN-978-0-8036-4368-0

Medical Language Lab 2.0 (MLL) an online learning environment for this text. The course is set up in the MLL & NOT Canvas.

**Students HAVE to be able to enroll in the MLL instructor led course in order to participate in Medical Terminology NURS 3302.**

\*\*\*During the FIRST week of class (or sooner) every student needs to go the Davis Plus site @ <http://davisplus.fadavis.com/> and complete steps 1-6.

1. Create a student account
2. Redeem/Purchase a Plus Code
3. From the Davis Plus page look top left, Browse Site drop down menu. Tap Medical Language Lab.
4. Enroll in the Medical Language Lab 2.0 (MLL) by entering the Class ID provided by your instructor. The class ID is in the announcements for each section.
5. **You MUST enroll in MLL with the same name you used to enroll in Canvas.**
6. **If you are in section .060 in Canvas then enroll in section .060 in MLL. Do the same if you are enrolled in section .061 in Canvas.**
7. Start getting familiar with MLL by using the Student Guide for MLL posted in Canvas under the Getting Started Tab. Listen to the orientation video for MLL.

\*\*\*\*\*Students with used, older editions, and who opt to use just the ebook **have to go to** Davis Plus @ <http://davisplus.fadavis.com/> customer service & purchase an PLUS code. Complete steps 1-4.

### **1.4 COURSE GRADING POLICY**

Completion of NURS 3302 is based on the satisfactory attainment of all course criteria.

1. **Students must have a grade average of 75% or higher in order to pass the course. An average of 74.5% to 74.9% will not be rounded to a 75.**

<b><u>2. Assignments</u></b>	<b><u>Percent of Grade</u></b>
Pretest & Posttest (1% each)	2%
Medical Language Lab Participation (13 lessons @1% each)	13%
Test Bank Assignments (TBAs) = 13 Short Content Exams @ 5% each	65%
Mid-Term Exam	10%
Final Exam	<u>10%</u>
	100%

3. Letter grades will be assigned according to the following scale:

A	90 -100
B	80 - 89
C	75 - 79
D	60 - 74
F	Below 60
