Flu Vaccine Waiver

Student name: __________________________________________
Student ID number: _____________________________________
Today’s date: __________________________________________

I do hereby attest that I will be starting nursing school during either a Summer or Fall semester between flu seasons. My CastleBranch Flu Vaccine Requirement is to be waived for starting the program. I understand the flu vaccine (or exemption request) will be required once flu season starts again and will be due by October 31 of this year.
