

4.14 NCLEX

During the final semester of study, undergraduate students are informed of each step in the NCLEX application process. The process must be completed by specified dates. It is imperative that the student follows the directions in a timely manner. Failure to follow all directions and respond appropriately could prevent the graduate from meeting the requirements to take the NCLEX-RN®. It is the student's responsibility to contact the Board of Nursing to correct any errors made in the application (e.g. date of graduation or school code).
