

## ***7.5 Prevention of Healthcare-Associated Infections***

(Reviewed 9/5/2017)

Students, as members of the health care team, are required to follow the established Center for Disease Control (CDC) guidelines to healthcare-associated infections. Following these procedures will facilitate prevention of exposure to potential infections.

Current guidelines and recommendations for environmental infection control, hand hygiene, immunizations, infectious diseases, isolation precautions, and nosocomial infections, etc. are found in the following WEB site for the [CDC](#). **All students are required to be familiar with information found in this site.**
