This Preceptor is preferably a registered nurse who has either a Master of Science in Nursing (MSN), Master of Business Administration (MBA), or a Masters of Health Administration (MHA). The SON is required to have a facility agreement/contract with any agency in which students are participating in clinical experiences. Students cannot start their clinical until this agreement is in place. Since some course activities are contingent on the clinical, the agreement must be in place within the first two weeks of the semester. If this is not the case the student may be expected to arrange clinical at another agency with whom the SON has an agreement or may be expected to withdraw from the course.
3. A signed preceptor agreement before starting clinical.
4. Notification of the education department at the respective facility (even if it is the student's place of employment) in which the student will be doing his or her clinical. Grade Replacement/Forgiveness and Census Date Policies

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date is the deadline for many forms and enrollment actions that students need to be aware of. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a "W" grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid
