

# Graduate Program Review/Doctoral Program Review Schedule

**UTTyler**  
THE UNIVERSITY OF TEXAS AT TYLER

Master's and doctoral programs are reviewed on a decennial schedule determined with the Texas Higher Education Coordinating Board (THECB) and in compliance with [Texas State Code](#).

The Office of Continuous Improvement and Accreditation maintains the GPR/DPR schedule, organized by college, with the year of last review and year of next review.

## College of Arts and Sciences

| Program                      | Type | Year of Last Review | Year of Next Review |
|------------------------------|------|---------------------|---------------------|
| Art M.A.                     | GPR  | 2024                | 2034                |
| Biology M.S.                 | GPR  | 2024                | 2034                |
| Chemistry M.S.               | GPR  | 2024                | 2034                |
| Communication M.A.           | GPR  | 2018                | 2028                |
| Criminal Justice M.S.        | GPR  | 2018                | 2028                |
| English M.A.                 | GPR  | 2017                | 2027                |
| History M.A.                 | GPR  | 2017                | 2027                |
| Mathematics M.S.             | GPR  | 2017                | 2027                |
| Political Science M.A.       | GPR  | 2017                | 2027                |
| Public Administration M.P.A. | GPR  | 2018                | 2028                |
| Studio Art M.F.A.            | GPR  | 2024                | 2034                |

## College of Education and Psychology

| Program                          | Type | Year of Last Review | Year of Next Review |
|----------------------------------|------|---------------------|---------------------|
| Clinical Psychology M.A.         | GPR  | 2018                | 2028                |
| Curriculum and Instruction M.Ed. | GPR  | 2024                | 2034                |
| Educational Administration M.Ed. | GPR  | 2018                | 2028                |
| Reading Education M.Ed.          | GPR  | 2016                | 2026                |
| School Counseling M.A.           | GPR  | 2017                | 2027                |
| School Improvement Ed.D.         | DPR  | 2019                | 2029                |
| Special Education M.Ed.          | GPR  | 2016                | 2026                |

## College of Engineering

| Program                         | Type | Year of Last Review | Year of Next Review |
|---------------------------------|------|---------------------|---------------------|
| Civil Engineering M.S.C.E.      | GPR  | 2025                | 2035                |
| Electrical Engineering M.S.E.E. | GPR  | 2025                | 2035                |
| Engineering Leadership M.S.     | GPR  |                     |                     |
| Mechanical Engineering M.S.M.E. | GPR  | 2025                | 2035                |

## Soules College of Business

| Program                          | Type | Year of Last Review | Year of Next Review |
|----------------------------------|------|---------------------|---------------------|
| Computer Science M.S.            | GPR  | 2024                | 2034                |
| Human Resource Development M.S.  | GPR  | 2018                | 2028                |
| Human Resource Development Ph.D. | DPR  | 2018                | 2028                |

## School of Health Professions

| Program                      | Type | Year of Last Review | Year of Next Review |
|------------------------------|------|---------------------|---------------------|
| Health Administration M.H.A. | GPR  | 2017                | 2027                |
| Health Sciences M.S.         | GPR  | 2017                | 2027                |
| Kinesiology M.S.             | GPR  | 2017                | 2027                |
| Public Health M.P.H.         | GPR  | 2022                | 2032                |

## School of Medicine

| Program                              | Type | Year of Last Review | Year of Next Review |
|--------------------------------------|------|---------------------|---------------------|
| Biotechnology M.S.                   | GPR  | 2024                | 2034                |
| Integrated Biomedical Sciences Ph.D. | DPR  |                     |                     |
