## Supplier Types

**Hosted Catalog** – These suppliers have searchable catalogs in eSHOP. Most catalogs are for Contract Suppliers who offer special pricing and customer service. Their pricing is audited to confirm the pricing posted includes the centrally negotiated discount. These catalogs are offered as a convenience and resource for product searching.

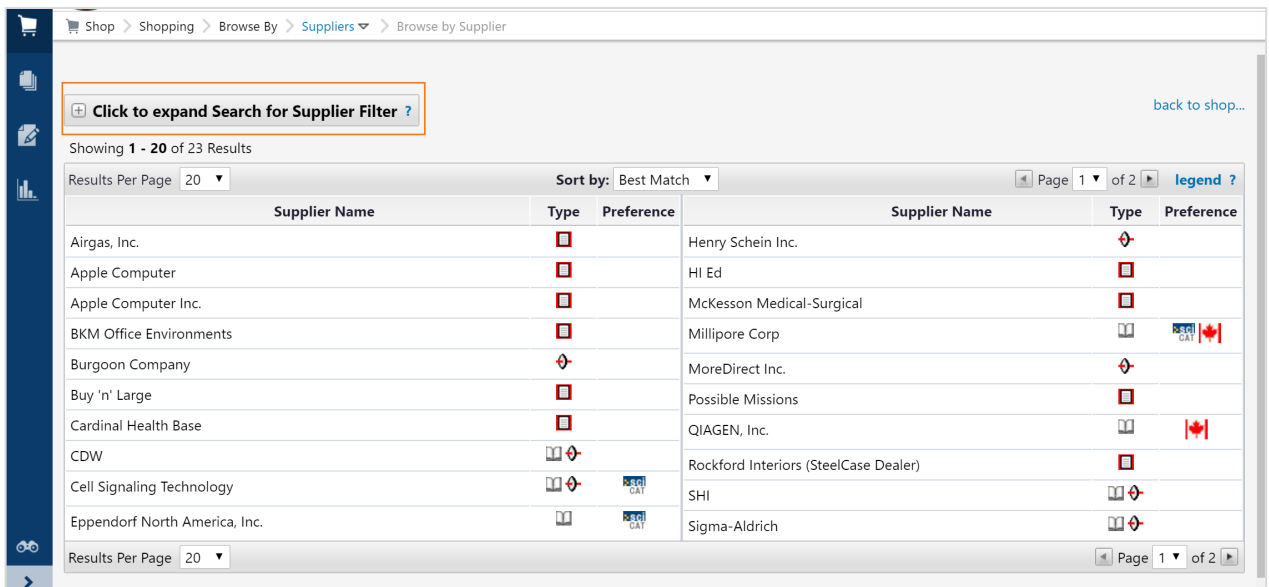

**Punch-Out or External Catalog** – These suppliers are contract suppliers and provide a direct link in eSHOP to their website where products can be chosen and brought back into your eSHOP shopping cart. These products are NOT included in product search.

## Browse/Search Suppliers

1. Navigate to the **Shopping Dashboard (Default Homepage)** – Shop > Shopping > Shopping Dashboard

2. Click the **Supplier Link**.
3. Click to **Expand Search for Supplier Filter**.
