UT TYLER'S STRATEGIC PLAN

UT Tyler's strategic plan is driven by three guiding priorities: student success, teaching excellence, and service to East Texas.

Student **SUCCESS**

We exist to ensure that every student who enrolls with us not only completes their degree but also graduates truly prepared to enter the workforce — all while enjoying the journey. We'll prepare our students for a lifetime of success and meaningful impact.

Teaching **EXCELLENCE**

Faculty-student interactions lay the foundation for the development of knowledge and critical thinking. We recognize the critical role of innovative and effective instruction in preparing students for real-world challenges and lifelong success. We'll be known for teaching excellence.

Serve **EAST TEXAS**

We are only as strong as our community. By fostering economic growth, advancing healthcare and creating vibrant cultural communities, we will forge a strong bond with our community and serve as a trusted partner for years to come.

OUR MISSION

UT Tyler is a comprehensive public university. We help our students, patients and community members achieve their educational and health goals by offering a combination of excellence in higher education, research, public service and advanced healthcare delivery.

OUR VALUES

Servant Leadership: We put the needs of our students, patients, colleagues and community first.

Excellence: We work collaboratively every day to be better and strive to establish and achieve exemplary outcomes.

Accountability: We hold ourselves to the highest ethical standards and manage the resources of UT Tyler wisely.

OUR VISION

We aspire to be an impactful, values-centered institution unified in common purpose; a community that fosters opportunity, committed to providing a uniquely balanced student experience and improving the quality of human life.

Discover EIGHT ACADEMIC COLLEGES & SCHOOLS

COLLEGE OF ARTS AND SCIENCES

Students in the College of Arts and Sciences are a community of innovators and creators. With programs spanning the humanities, natural and social sciences, communications, the arts and career preparation, our students not only launch their careers or pursue graduate studies but also serve and grow the East Texas region and beyond.

SCHOOL OF EDUCATION

Our students are taking the next step toward making a positive impact in the community. The School of Education equips students with the tools and preparation for becoming caring, service-oriented educational professionals and leaders in schools.

COLLEGE OF ENGINEERING

Students in the College of Engineering are innovating our world by solving problems using scientific skills, technical creativity and business knowledge. We are ranked No. 62 in the nation in the U.S. News and World Report's 2025 Best Undergraduate Engineering Programs (no doctorate) and are the third best undergraduate program in the state.

SOULES COLLEGE OF BUSINESS

The Soules College of Business gives students the knowledge and experience needed to launch their careers and advance the economy of East Texas and beyond. Our students are prepared after graduation to become business leaders, thinking critically and strategically on every business decision they make.

SCHOOL OF HEALTH PROFESSIONS

The School of Health Professions trains students to become driven, caring problem-solvers. Our students are prepared for careers in public health, healthcare administration, psychology, rehabilitation, or exercise and movement science through hands-on instruction that examines existing challenges and equips them to propose forward-looking solutions.

SCHOOL OF NURSING

From registered nurses on the front lines of healthcare delivery to clinicians and researchers contributing to nursing's scholarly output, the UT Tyler School of Nursing prepares students for careers as caring, community-oriented professionals serving East Texas and the nation. Ninety-five percent of our students already have a job or pursue graduate studies after graduation.

SCHOOL OF MEDICINE

Emphasizing a community-centered approach, the UT Tyler School of Medicine combines advanced research, hands-on learning and partnerships with regional healthcare providers to cultivate a new generation of physicians prepared to improve healthcare outcomes and enhance the quality of life in East Texas. We are the first medical school in East Texas and seventh in The University of Texas System.

We offer a robust graduate program with 22 residency and fellowship training programs in areas such as family medicine, internal medicine, neurology, psychiatry, surgery, and anesthesia. Our Master of Biotechnology program's interdisciplinary curriculum emphasizes medical research and biotechnology innovation and prepares students for careers in medical research, diagnostics and therapeutic development.

The new, five-story, 248,000-square-foot Medical Education Building (MEB) in Tyler's Midtown District will support interdisciplinary education for medical students and resident training and will be part of a medical education program expansion throughout the UT Health East Texas Health System.

BEN AND MAYTEE FISCH COLLEGE OF PHARMACY

Our PharmD program is at the forefront of pharmacy education, teaching future pharmacists the solutions-oriented skills used every day in the healthcare field — preparing them to become an asset to any healthcare team and to deliver compassionate and effective patient care.

The University of Texas at Tyler owes our reputation to the talent, strength and determination of our faculty and staff.

Together, we strive to make this institution bigger and better through creative problem solving, a spirit of service, unwavering collaboration and an investment in the next generation of East Texas professionals.

From generous health and retirement plans to employee scholarships and resources, UT Tyler supports you from the moment you begin your career to the day you retire. Opportunities for leadership and professional development

exist at every level, and many faculty and staff serve on a number of permanent and standing committees that oversee university governance.

Outside of the office, you can put your “Talons Up” at a Patriot Athletics event, or you can access top-tier theater productions, musical performances and distinguished lectures at the R. Don Cowan Fine and Performing Arts Center.

LEAD, INSPIRE, GROW

Tyler and **EAST TEXAS**

Renowned as the Rose Capital of the United States, Tyler is a growing mid-size city located less than 100 miles east of Dallas. As a regional focal point for entertainment, retail, healthcare, dining, arts and outdoor recreation, Tyler offers small-town affordability with the comforts of a big city. Whether you want to take

an afternoon to hike through Tyler State Park, shop at the Village at Cumberland Park or eat your way through all the local Tex-Mex joints, Tyler is a vibrant place to live and work. Plus, it was named the no. 1 city in Texas to move to by USA Today. So, beat the crowd and discover Tyler for yourself.
