Mission Statement

The University of Texas at Tyler is a comprehensive institution of higher education offering undergraduate and graduate degree programs as an institution of the renowned University of Texas System. The University of Texas at Tyler's vision is to be nationally recognized for its high quality education in the professions and in the humanities, arts and sciences, and for its distinctive core curriculum. Guided by an outstanding and supportive faculty, its graduates will understand and appreciate human diversity and the global nature of the new millennium. They will think critically, act with honesty and integrity, and demonstrate proficiency in leadership, communication skills, and the use of technology.

The University is committed to providing a setting for free inquiry and expects excellence in the teaching, research, artistic performances and professional public service provided by its faculty, staff, and students. As a community of scholars, the University develops the individual's critical thinking skills, appreciation of the arts, humanities and sciences, international understanding for participation in the global society, professional knowledge and skills to enhance economic productivity, and commitment to lifelong learning.

Within an environment of academic freedom, students learn from faculty scholars who have nationally recognized expertise in the arts and sciences, and in such professions as engineering, public administration, education, business, health sciences, and technology. The faculty engages in research and creative activity, both to develop and maintain their own scholarly expertise and to extend human knowledge. The results of that research and other creative efforts are made available to students in the classroom and to the general public through publication, commercialization, and public service activities. The institution also seeks to serve individuals who desire to enhance their professional development, broaden their perspectives, or enrich their lives.

(1) Percent of first-time, full-time, degree-seeking freshmen entering in summer or fall semester who earn a baccalaureate degree within six academic years

(2) Percent of first-time, full-time, degree-seeking freshmen entering in summer or fall semester who earn a baccalaureate degree within four academic years

(3) Percent of incoming fall semester full-time undergraduate transfer students with at least 30 semester credit hours who graduate within four years [ABEST]

(4) Percent of incoming fall semester full-time undergraduate transfer students with at least 60 semester credit hours who graduate within two years [ABEST]

(5) Persistence rate of first-time, full-time, degree-seeking freshmen students who entered summer or fall semester after one academic year

(6) Percent of Semester Credit Hour Courses Completed over academic year (Fall, Spring, Summer) [ABEST]

(7) The number of full-time student equivalents per filled/actual full-time equivalent instructional faculty positions. Full-time faculty is defined as all faculty ranks, but do not include teaching assistants (TAs). As of 2015, this field includes SCH's from 2nd 7-week sessions and does not include CB reporting exclusions

(8) Percentage of graduating baccalaureate students whose parents did not graduate from college. Parents are defined only as birth parents, adoptive parents, or legal guardians. Self-reported

(9) The number of baccalaureate level graduates who attempted 30 or more semester credit hours in a Texas public two-year college during the past six years

(10) The number of students enrolled in the fall semester who attempted 30 or more semester credit hours in a Texas public community college during the past six years, as tracked by the Texas Higher Education Coordinating Board

(11) The percentage of the undergraduate engineering program graduates attempting the state licensing examination who pass all parts either before graduation from the program or within the twelve months immediately following graduation or any required internship

(12) The percentage of nursing program graduates attempting the state licensing examination who pass all parts either before graduation from the program, or within the twelve months immediately following graduation from the program

(13) The percentage of the institution's undergraduate teacher education program graduates attempting the state licensing examination who pass all parts either before graduation from the program, or within the 12 months immediately following graduation from the program

(14) The average weekly hours of use of classrooms

(15) The average weekly hours of use of labs

As of 2015, out of state distance only students and self-supporting programs are excluded from measures in accordance with TAC

Definitions

Academic Year

Defined as the period of time including Fall, Spring, and Summer sequence of semesters and identified by the second calendar year in the sequence. For example, the sequence Fall 2015, and Spring and Summer 2016 is AY2015-16.
 Note: an academic year is equivalent to a fiscal year in Texas.

Coordinating Board Reports (CBM Reports)

The Office of Information Analysis bases reporting on THECB data submissions, but adds report exclusions* in order to portray an accurate picture of overall and program enrollment and semester credit hour production. Areas of difference in state reporting and overall totals are noted in the Fact Book.

All Texas public higher educational institutions must submit periodic reports to the Texas Higher Education Coordinating Board (THECB) to fulfill provisions of the Higher Education Coordinating Act of 1965 as amended (codified as Subtitle B, Chapter 61, Texas Education Code, 1971). These reports are used to determine each institution's state reimbursement funding.

*TAC Title 19, Part 1, Chapter 4, Subchapter E, §4.107(c)(4) and §4.108(b).

Dual Credit

A process by which a high school student enrolls in a college course and receives simultaneous credit from both the college and the high school.

Ethnicity or Racial/Ethnic Heritage

Effective Fall 2010, all Office of Institutional Analysis reports reflect the new federal and state mandatory requirements for reporting ethnicities. Two new race categories are added: *Native Hawaiian or Pacific Islander* and *Two or More Races*. Descriptions shown below:

American Indian or Alaska Native: A person having origins in any of the original peoples of North and South America (including Central America), and who maintains a tribal affiliation or community attachment.

Asian: A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam.

Black or African American: A person having origins in any of the black racial groups of Africa.

Hispanic: A person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture.

Native Hawaiian or Other Pacific Islander: A person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands.

White: A person having origins in any of the original peoples of Europe, the Middle East or North Africa.

International denotes a person who is not a citizen or permanent resident of the United States and who is in this country on a temporary basis and does not have the right to remain

Unknown or Not Reported: The unknown classification is used if the student has not selected a racial/ethnic designation.

Faculty

People hired to teach classes at institutions of higher education or whose specific assignments customarily are for the purpose of conducting instruction, research, or public service as a principal activity (or activities), who may hold academic rank titles of professor, associate professor, assistant professor, instructor, other faculty, or the equivalent of any of these academic ranks.

Freshman Students

Undergraduate students who have earned fewer than 30 credits.

Gender

Female or male, self-reported.

Graduate Student

A student who, after earning a baccalaureate degree, is enrolled in a course of study leading to a graduate degree.

Definitions

Headcount also called 'Enrollment'

A count of students, faculty, and/or staff where each individual is counted once. This is in contrast to the FTE count where an individual may be counted as less than or more than one.

Junior Students

Undergraduate students who have earned more than 59 but fewer than 90 credits.

Lower Division Courses

Courses taught at the freshman and sophomore levels.

Number of Community College Transfer Students Enrolled

The number of students enrolled in the fall semester who attempted 30 or more semester credit hours in a Texas public community college during the past six years. (ABEST short definition).

Number of Community College Transfer Graduates

The number of baccalaureate level graduates who attempted 30 or more semester credit hours in a Texas public community college during the past six years. (ABEST short definition).

Certification Rate of Teacher Education Graduates

The percentage of the institution's undergraduate teacher education program graduates attempting the state licensing examination who pass all parts either before graduation from the program, or within the 12 months immediately following graduation from the program. (ABEST short definition).

Percent of Baccalaureate Graduates Who Are First Generation College Graduates

Percentage of graduating baccalaureate students whose parents did not graduate from college. Parents are defined only as birth parents, adoptive parents, or legal guardians.

Percent of Incoming Full-time, Undergraduate Transfer Students Who Graduate within Four Years

Percentage of full-time undergraduate students who transfer into the institution for the first time in the fall semester with at least 30 accepted semester credit hours and graduate within four academic years. Full-time is defined as taking 12 semester credit hours. (ABEST short definition).

Percent of Semester Credit Hour Courses Completed

The percent of semester credit hours completed. (ABEST short definition).

Retention Rate of First-time, Full-time, Degree-seeking Freshmen Students After One Academic Year

Percent of first-time, full-time, degree-seeking freshmen who enter in the fall semester, who are still enrolled after one academic year. (ABEST short definition).

Semester Credit Hour (SCH)

The semester credit hour is defined as the credit hours assigned to a course. This is generally based on the number of hours the course meets per week. The SCH a course produces is determined by multiplying the enrollment of the course by the credit hours of the course. The SCH of a student is determined by adding the credit hours from all the student's courses.

Senior Students

Undergraduate students who have earned more than 89 credits.

Sophomore Students

Undergraduate students who have earned more than 29 but fewer than 60 credits.

State Licensure Exam Pass Rate of Engineering Graduates

The percentage of the institution's undergraduate engineering program graduates attempting the state licensing examination who pass all parts either before graduation from the program, or within the twelve months immediately following graduation or any required internship. (ABEST short definition).

State Licensure Exam Pass Rate of Nursing Graduates

The percentage of the institution's undergraduate nursing program graduates attempting the state licensing examination who pass all parts either before graduation from the program, or within the twelve months immediately following graduation from the program. (ABEST short definition).

Definitions

Tenure Track Faculty

Faculty without tenure holding an appointment/position eligible for tenure as reported to the Coordinating Board.

Tenured Faculty

Faculty who have received tenure as reported to the Coordinating Board.

Texas Higher Education Coordinating Board (THECB or CB)

In 1965, the 59th Texas Legislature established the Texas Higher Education Coordinating Board and charged it with the responsibility of coordinating and monitoring colleges and universities in the state of Texas. THECB has broad powers and is directly responsible for the formula process used to make appropriation recommendations to the legislature for higher education.

Undergraduate Students

Degree seeking students who are classified as freshmen, sophomores, juniors, seniors, or additional Bachelor's degrees. Also the sum of lower and upper division undergraduates.

Upper Division Courses

Courses taught at the junior and senior levels.

Upper Division Undergraduate Students

Students who are classified as juniors or seniors.
