Definitions

Academic Year

Defined as the period of time including Fall, Spring, and Summer sequence of semesters and identified by the second calendar year in the sequence. For example, the sequence Fall 2015, and Spring and Summer 2016 is AY2015-16. Note: an academic year is equivalent to a fiscal year in Texas.

Coordinating Board Reports (CBM Reports)

The Office of Information Analysis bases reporting on THECB data submissions, but adds report exclusions* in order to portray an accurate picture of overall and program enrollment and semester credit hour production. Areas of difference in state reporting and overall totals are noted in the Fact Book.

All Texas public higher educational institutions must submit periodic reports to the Texas Higher Education Coordinating Board (THECB) to fulfill provisions of the Higher Education Coordinating Act of 1965 as amended (codified as Subtitle B, Chapter 61, Texas Education Code, 1971). These reports are used to determine each institution's state reimbursement funding.

The SCH a course produces is determined by multiplying the enrollment of the course by the credit hours of the course. The SCH of a student is determined by adding the credit hours from all the student's courses.
