

J-1 Exchange Visitor Request Form

Important Information for UT Tyler Departments and Exchange Visitors

- J-1 Researchers and Professors may not pursue a degree and be registered for full-time hours at The University of Texas at Tyler.
- J-1 Exchange Visitors must ensure compliance with J-1 visa federal requirements and must have health insurance.
- J-1 Exchange Visitors who will be actively employed by UT Tyler will be contacted by the Office of Human Resources (HR) to attend new employee orientation. Additionally, if benefits-eligible, the J-1 visitor will be provided with benefits information from HR.
- The United States Department of State limits participation of a J-1 Exchange Visitor in the Researcher and Professor categories in consecutive J-1 programs under the 24-month bar and 12-month bar.
- The 24-month bar on repeat participation applies to a J Professor or Research Scholar who has participated and completed previous J-1 Exchange Program and wishes to begin a new J-1 Exchange Program. In this case, the Exchange Visitor must wait for two years before beginning a new J-1 program as a J-1 Professor or Research Scholar.
- The 12-month bar applies to a J-1 Professor or Research Scholar who wishes to begin a new J-1 Exchange program after they were physically present in any J status, including J-2 status, for "all or part of" the twelve-month period immediately preceding the date of new J-1 program commencement set forth on DS-2019 Form. In this case, the Exchange Visitor must wait for 12 months before beginning a new J-1 program as a J-1 Professor or Research Scholar.
- The U.S. Department of State indicates a J-1 Exchange Visitor may participate in a tenure-track position as long as they are not a candidate for tenure.
- An Exchange Visitor may transfer from one program sponsor to another if the purpose of the transfer is to complete the objective for which they were admitted to Exchange Visitor status, and if the Exchange Visitor remains in the same category. It is recommended that the transfer request be submitted at least 30 days prior to the DS-2019 program expiration date and the proposed consecutive starting date with the new sponsor to allow for processing of paperwork. Any employment under the new sponsor may not commence until the Exchange Visitor receives a DS-2019 from the new sponsor.
- Some J-1 Exchange Visitors and their dependents are subject to the Two-Year Home Country Physical Presence Requirement. Exchange Visitor subject to this requirement is prohibited from changing to any other non-immigrant or immigrant status unless they first obtain a waiver of the requirement. Once the waiver of the two-year home-country physical presence requirement is received from the U.S. Department of State, the J-1 Exchange Visitor is no longer eligible for J-1 program extensions.
- All J-1 Exchange Visitors, once in the U.S., must schedule a mandatory orientation appointment with UT Tyler Office of International Programs.
- All J-1 Exchange Visitors, once in the U.S., must schedule and attend a mandatory orientation appointment with their UT Tyler Responsible Officer (International Student Advisor).
