UNIVERSITY COMMITTEES

2022-2023

Updated August 28, 2022

Research Council

Responsibilities of the Research Council include:

The Research Council is a university-level committee comprised of faculty at different points in their careers and drawn from eight colleges of the university.

The Research Council is charged with the promotion and development of research and scholarship activity throughout the university community. The Council serves as an advisory body to the President, the Provost, the Senior Vice President for Research, the Associate Vice President for Research, and the faculty at large.

Members of the Council work collaboratively with the Senior Vice President of Research and Dean of the Graduate School and his team to advance research and sponsored programs with a focus on the following duties and responsibilities.

- Advise the Senior Vice President and his team on research administration matters including, but not limited to, research funding, research productivity goals, awards for research activities, and other cross-cutting research matters.
- Review and recommend improvements to existing policies, programs, and practices governing the conduct of research and scholarly activities.
- Provide input on policies governing the establishment and monitoring of research centers and institutes.
- Participate in the review of internal grant competitions and other seed funding opportunities.
- Represent the colleges faculty, students, and staff on the Council.
- Assist the Senior Vice President of Research and Dean of the Graduate School with other assigned duties and responsibilities.

2022-2023 Committee Charges:

- Advise the Senior Vice President and his team on research administration matters including, but not limited to, research funding, research productivity goals, awards for research activities, and other cross-cutting research matters.
- Review and recommend improvements to existing policies, programs, and practices governing the conduct of research and scholarly activities.
- Provide input on policies governing the establishment and monitoring of research centers and institutes.
- Participate in the review of internal grant competitions and other seed funding opportunities.
- Represent the colleges faculty, students, and staff on the Council.
- Assist the Senior Vice President of Research and Dean of the Graduate School with other assigned duties and responsibilities.
