Evaluation and Grading

In all aspects of your transition from student to professional I will be supporting you and challenging you to expand your knowledge base, to increase your breadth and depth of skill, and to improve your attitudes and dispositions related to your work. In order to provide structure to this assessment the following points have been assigned to portions of your performance. It is my expectation that you can earn credit in this class if you demonstrate mastery of the appropriate skills, complete assignments in a timely fashion, demonstrate an awareness of and adherence to ethical decision making processes, and demonstrate an attitude of seeking excellence in your therapeutic skills. Points in this course can be earned through professionalism and your role plays and related assignments. Late assignments will not be accepted unless documented proof of an emergency has occurred.

1. Professionalism: It is expected that students will attend all classes and actively participate. Students will also be required to engage in supervision throughout the semester. The instructor will use an evaluation tool during supervision sessions to gauge progress. Available supervision meeting times will be provided by the instructor throughout the semester. All absences must be discussed with the instructor prior to the class missed. Missing more than one class will result in an “IP” or “NC” for the class unless otherwise determined by the professor (10 possible points).

2. Role Plays: Throughout the semester, students are required to complete a series of five role plays to demonstrate their counseling abilities. Each role play will be uploaded to the assignment using Arc. Students will engage in group supervision to review the recordings and discuss strengths along with areas of growth. The instructor will schedule additional supervision times with the students as necessary. In addition to the recordings, students should have thoroughly reviewed their videos and the instructors comments on Arc. Comments may include: skills used, strengths, areas for growth, observations, questions, etc. Students will also complete various written assignments with each video (counseling skills evaluation, SOAP notes, intake report). Formats for these written assignments are included in the appendix of this syllabus. Additional information will be discussed in class prior to each recording. The following amount of points can be earned for each role play/written assignment:

Role Play 1 (50 Min) & SOAP Note
   a. Role Play – Intake 25 points possible
   b. Counseling Skill Evaluation & Reflection 5 points possible
   c. SOAP Note 5 points possible

Course Policies

**Informed Consent Statement:** Faculty members are dedicated to the educational, personal, and professional growth and development of our students. Faculty are in a unique position as both instructors who assess students’ academic skills and members of the counseling profession with an ethical obligation to the profession. In both of these roles, it is the faculty’s responsibility to evaluate student competencies within the realm of professional counseling and to address any concerns regarding students’ professional competence. As such, please be aware of the following information regarding this course:

- The counseling profession encourages that counselors fully integrate their own personal attributes and identity, as well as their strengths and weaknesses, into therapeutic processes. Therefore, self-awareness is critical because this knowledge relates to being an effective therapist.

- There will be an emphasis in many courses on self-awareness/exploration, as well as giving feedback to peers. Although uncomfortable at times, we encourage students to be open to self-exploration, since we frequently ask clients to do so.

- At times, class may include experiential and self-awareness exercises. It is important to distinguish between sharing one’s emotional reactions to such experiential class activities and revealing information about one’s personal history. Self-disclosure of personal history is not required in order to successfully pass any course; however, students may be expected to share their reactions to experiential activities.

- Self-disclosures will not be used as a basis for grading in any course. However, should a student disclose information indicating impairment or the potential for harm to clients, the faculty member may take appropriate action in accordance with the *ACA Code of Ethics* (2014).

- Students often experience personal growth as they progress through the program. **However, the courses are not meant to be a means of personal therapy.** The focus in classes is on self-awareness and the enhancement and growth of necessary counselor skills.

- Please be aware that, although all instructors strive to create a safe environment for any personal disclosures, we cannot guarantee that other students will maintain the confidentiality of any such disclosures that are made.

- It is each student’s responsibility to determine an appropriate level of self-disclosure (i.e., the content and depth of personal information that you share) in experiential learning activities.

**Counseling Role Play Policies.** Role play in the classroom setting is essential to simulating the counseling experience and demonstrating the traditional counseling format. Role plays will be conducted in dyads, outside of class, and videotaped in the training clinic for supervision purposes. It will be necessary for students to perform the role of counselor and client to create authenticity in content, verbal, and non-verbal
behaviors in the role play sessions. Portions of role plays will be shown in small groups in class for group supervision. If a student portraying the client does not want a portion of the role play shown in class for confidentiality reasons, that student can inform the instructor. Information shared during role plays is considered confidential. Students should not discuss role plays outside of class with other students of the class or with others. It should be remembered that students/counselors-in-training are not providing personal counseling or therapy. In order to maintain proper academic boundaries and not move into the realm of personal counseling, students are encouraged not to use current personal issues that may cause embarrassment or unnecessary emotional distress to themselves or others. Students who find themselves needing further services due to issues which arise in the practice of role play should take advantage of services offered at the UT-Tyler Student Counseling Center or pursue private services.

**Diversity Statement.** Students are expected to be sensitive to individual and multicultural differences and to treat one another with respect during their experience in this course. Sensitivity to gender/race/ethnicity/ability/sexuality is expected and disrespectful language and/or behavior will not be tolerated. The American Counseling Association has explicit policies, standards, and ethical guidelines regarding diversity issues. In this class, you will be expected to reflect the standards and ethics of the counseling profession, especially in the area of diversity. Any use of written or verbal language should be consistent with the respect and tolerance that are the cornerstone of the counseling profession and should reflect the ACA Human Rights Committee’s 1987 statement on tolerance, which states:

In order to guarantee that each individual is free to pursue his/her potential, each member of ACA is charged to (a) engage in ongoing examination of his/her own attitudes, feelings, stereotypic views, perceptions and behaviors that might have prejudicial or limiting impact on others; (b) contribute to an increased sensitivity on the part of other individuals, groups or institutions to the barriers to opportunity imposed by discrimination; (c) advocate equal rights for all individuals through concerted personal, professional, and political activity.

**Technology Statement.** Cell phones are to be turned off or put in silent mode during class. Cell phones should not be visible during class, so please keep them in your pants, purse, backpack, etc. If you are experiencing an emergency or extenuating circumstance where you need to check your phone during class, please inform me of this before class begins. Please be respectful and **DO NOT TEXT MESSAGE.** Students who chose to use a laptop computer should only do so for taking notes. **Students who use laptop computers are prohibited from (a) surfing the internet, (b) checking email, and (c) working on other assignments during class.** If the instructor becomes aware of a student using their laptop for any reason other than taking notes, he may ask that student to cease bringing their computer into the classroom.

**Communication Statement:** University policy requires that all e-mail correspondence between students and instructor be done via the Patriot account. Check your Patriot E-Mail frequently. Announcements pertaining to class or departmental business will be sent to the student’s Patriot account. In accord with university policy your instructor will respond only to student correspondence sent via Patriot E-mail. Please do not contact the instructor via the Canvas messaging system. My email address is ewest@uttyler.edu. Typically, I will be able to respond to your emails within 24 hours Monday – Thursday.

**Note:** make sure that you **do not** send emails to ewest@patriots.uttyler.edu, as I will not receive these messages.**

**Attendance Statement:** Attendance is expected at all scheduled class sessions. If unable to attend a class, please speak with the instructor beforehand. It is also expected that students will arrive at class on time. Problems with tardiness will be addressed by the instructor individually as needed. **Missing more than one**
class, or excessive tardiness will result in a student receiving “IP” or “NC” for the class.

Grade Replacement/Forgiveness and Census Date Policies. Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. Grade Replacement Contracts are available in the Enrollment Services Center or at http://www.uttyler.edu/registrar. Each semester’s Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar. Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract. The Census Date is the deadline for many forms and enrollment actions of which students need to be aware. These include:
- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a “W” grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid

State-Mandated Course Drop Policy. Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date). Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.

Student Accessibility and Resources. In accordance with Section 504 of the Rehabilitation Act, Americans with Disabilities Act (ADA) and the ADA Amendments Act (ADAAA) the University offers accommodations to students with learning, physical and/or psychiatric disabilities. If you have a disability, including non-visible disabilities such as chronic diseases, learning disabilities, head injury, PTSD or ADHD, or you have a history of modifications or accommodations in a previous educational environment you are encouraged to contact the Student Accessibility and Resources (SAR) office and schedule an interview with the Accessibility Case Manager/ADA Coordinator, Cynthia Lowery Staples. If you are unsure if the above criteria applies to you, but have questions or concerns please contact the SAR office. For more information or to set up an appointment please visit the SAR office located in the University Center, Room 3150 or call 903.566.7079. You may also send an email to cstaples@uttyler.edu

Student Absence for University-Sponsored Events and Activities. If you intend to be absent for a university-sponsored event or activity, you (or the event sponsor) must notify the instructor at least two weeks prior to the date of the planned absence. At that time the instructor will set a date and time when make-up assignments will be completed.
Social Security and FERPA Statement. It is the policy of The University of Texas at Tyler to protect the confidential nature of social security numbers. The University has changed its computer programming so that all students have an identification number. The electronic transmission of grades (e.g., via e-mail) risks violation of the Family Educational Rights and Privacy Act; grades will not be transmitted electronically.
