COURSE INFORMATION
PSYC 2320.001: Lifespan Developmental Psychology
Spring 2016
TH 6:00 – 8:45 pm
Braithwaite Building – Room 1025

INSTRUCTOR INFORMATION
Bethany Waits, MS, LPC
Office: UC 3177
Phone: 903-565-5743
Email: bwaits@uttyler.edu (best way to contact me)

BLACKBOARD SITE
2016 – SPRING – PSYC – 2320.001: LIFESPAN DEVELOPMENTAL PSYC

COURSE CATALOG DESCRIPTION
Physiological, perceptual, cognitive, social, and affective change from conception to death, with an emphasis on transitions and developmental challenges throughout the lifespan.

STUDENT LEARNING OUTCOMES & ASSESSMENTS
As a result of taking this course, successful students will be able to:
— Identify the primary reasons for studying human development across the lifespan.
— Describe the process of researching developmental changes over time.
— Identify, explain, and apply the major theories of human development across different stages of life.
— Identify and explain the impact/interaction between genes and environment on development.
— Describe factors that may affect development at different stages of life.
— Identify the main stages of prenatal development and the process of birth.
— Identify and explain the primary biological, cognitive, and psychosocial changes that occur during infancy, early childhood, middle childhood, adolescence, emerging adulthood, adulthood, and late adulthood.
— Demonstrate an understanding of how cultural differences can impact development.
— Demonstrate the ability to apply developmental research to current social issues.

REQUIRED TEXT

NOTE: A student at UT-Tyler is not under any obligation to purchase a textbook from a university-affiliated bookstore. The same textbook may also be available from an independent retailer, including an online retailer.

TEACHING STRATEGIES
I will cover approximately one chapter per week (some weeks we will cover two chapters). I lecture primarily from the textbook, and I supplement with other materials such as documentary films, short videos, group discussions, guest speakers, and in-class activities. I
recommend taking good class notes and completing the required reading assignments. Successful students read the textbook. All assignments must be completed on time. I rarely accept late work. Class attendance is strongly encouraged. This class is much more fun and interesting if you take an active role in your learning and participate!

**EVALUATION AND GRADING**

<table>
<thead>
<tr>
<th>Assignment</th>
<th>Points</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Exams</td>
<td>300</td>
<td>3 exams, worth 100 points each</td>
</tr>
<tr>
<td>Quizzes</td>
<td>100</td>
<td>6 quizzes, worth 20 points each (Lowest grade dropped)</td>
</tr>
<tr>
<td>Assignments</td>
<td>100</td>
<td>Book report (70), Epilogue assignment (30)</td>
</tr>
</tbody>
</table>

Total Possible Points: 500 points

*Research credits do not add to your point total; however, if you do not complete them, you will lose 50 points from your final grade. Essentially, failure to complete them will drop you an entire letter grade.*

*Extra credit points will be added to your overall point total at the end of the semester.*

**GRADE ASSIGNMENT**

- A = 500 - 450 points
- B = 449 - 400 points
- C = 399 - 350 points
- D = 349 - 300 points
- F = 299 points or below

*In order to calculate your grade, keep track of the number of points you accumulate throughout the semester. Grades will be assigned based on the point distribution listed above.*

**EXAMS:**

There will be 3 multiple choice exams given during the semester. Each exam is worth 100 points and will have approximately 100 questions (the final will be 20 questions longer). Scantrons will be provided by the psychology department. The exams are worth a total of 300 points.

**Tentative Exam Dates:**
- February 18, 2016 – Chapters 1-5
- March 31, 2016 – Chapters 6-10
- May 5, 2016 – Chapters 11-epilogue (final exam)

*Exams will most likely be administered on these dates, but these dates are subject to change at the instructor’s discretion. There is a possibility that material covered on each exam will change depending on the amount of material covered each week. It is the instructor’s discretion to make changes to exam dates and/or material covered as the semester progresses.*

**QUIZZES**

There will be 6 quizzes throughout the semester. Each quiz is worth 20 points. The quiz questions will be short-answer, multiple-choice, true/false, and short essay format. They will be administered at the very beginning of class. You will have approximately 15-20 minutes to take the quiz. If you arrive late, you will only have the remaining time allotted to complete the quiz. I will drop your lowest quiz grade. The quizzes are worth a total of 100 points.
Tentative Quiz Dates:
January 28, 2016 – Chapter 1 (only the portion covered during the first night of class)
February 11, 2016 – Chapter 3 & 4
March 3, 2016 – Chapter 6
March 24, 2016 – Chapter 8 & 9
April 14, 2016 – Chapter 11
April 28, 2016 – Chapter 13 & 14

ASSIGNMENTS

1. **Book Report**
   - Each student will complete one book report this semester. Detailed instructions for this assignment can be found on the Blackboard website under “Assignments.” This project will be submitted via Blackboard. You may turn it in early. The book report is worth 70 points.
   
   **Due date: April 14, 2016**

2. **Epilogue Assignment**
   - Each student will complete one epilogue assignment this semester. Detailed instructions for this assignment can be found on the Blackboard website under “Assignments.” This project will be submitted via Blackboard. The epilogue assignment is worth 30 points.
   
   **Due date: April 28, 2016**

   *You may turn the assignments in prior to the due date.*

   **Assignment grade = Book report (70) + Epilogue (30)**

EXTRA CREDIT OPTIONS
If you wish to earn bonus points toward your final point total, you may choose to participate in one or both of the following:

1. **Perfect Attendance:**
   - I will take attendance EACH class. In order to track bonus points, students sign a roster at the END of class to indicate that they were present. Students that maintain PERFECT attendance during the semester will have 15 bonus points added to your overall point-total for the semester. Perfect attendance means that you stayed until the end of EVERY class.
   
   If you miss 0 times = 15 points
   If you miss 1 time = 5 points
   If you miss 2 times or more = 0 points

   I do not “excuse” absences for this bonus exercise. It is an all or nothing policy. I understand that situations, such as illness or funerals, do occur. However, perfect attendance means that you missed NO class for any reason.
   (NOTE: If you are a university athlete or university representative, please provide me with the appropriate documentation the first week of class to be exempt from this policy).
2. **Participation in Counseling with Graduate Students:**
   Students may volunteer to participate in counseling with graduate students in the psychology department. A sign-up sheet will be completed during the first class. You will be given 1 point for each session that you attend. Each session is approximately 1 hour. Maximum of **10 bonus points** for this option.

3. **Other extra credit assignments:**
   I may assign additional extra credit assignments throughout the course of the semester. Typically, these involve watching videos, such as TED Talks, and completing a writing assignment or answering questions.

**UT TYLER PSYCHOLOGY DEPARTMENT RESEARCH REQUIREMENT**
The Psychology Department requires that all students taking 1000- and 2000-level psychology courses to complete a research requirement.

**This is a requirement for the psychology department, not for this class specifically. It does not contribute to points, but will result in a reduction of 50 points if you do not complete it.**

**There are two ways to fulfill the requirement:**

1. You may complete research credits by participating in psychology studies. A credit is earned for every 30 minutes of research participation. Most studies are 30 minutes long or less, so most studies will count as 1 credit. If the study is longer than 30 minutes, you will receive 2 credits. The number of credits required varies from one course to the next, and your instructor will tell you how many credits are required to complete the research requirement in his or her specific course. **This course requires 4 research credits to be obtained during the semester (2 hours).**

2. In lieu of the research participation, you may instead complete a 5-page research report on a topic concerning developmental psychology. The topic for the paper can be found in Blackboard under “Assignments” and “Research Requirement.” If you do the paper, you do NOT have to participate in psychology research on campus (option 1). This is merely another option for obtaining your 4 research credits. If your paper is acceptable, then you will receive your 4 credits. If it is not acceptable, you will be notified to revise and resubmit by the final deadline.

**Due Date:**
Whether you choose to complete the research participation or the research paper, all credits must be submitted by **April 28, 2016.**

**COURSE POLICIES**

1. **Class Participation:**
   Since this class is over 2 hours in length, it is much more fun and engaging when students participate. That being said, you do not have an actual participation “grade;” however, points may be added (or subtracted) based on your participation. For instance, if you contribute in class, ask questions, and participate appropriately in discussions, you may be awarded extra points at the end of the semester. If a student is within 1 or 2 points of the next letter grade, participation, or lack thereof, may be a determining
factor. In the same way, if you are inappropriate in class, make rude statements, or are disrespectful in any way to your classmates or the instructor, points may be subtracted from your grade, accordingly.

2. Attendance:
   Attendance is expected and required. If you are unable to attend a class, please send me an email explaining why you were not present. You will only be allowed to make-up a test or quiz in the event of an excused absence. Excused absences may include doctor’s documented illness, death/funeral, religious observation, or UTT athletics from approved schedule, which pertains to athletes. All absences WILL REQUIRE an acceptable form of documentation to be considered “excused.”

3. What If I miss an Exam or a Quiz?
   If you miss class on an exam or a quiz day, you MAY be allowed to make-up these grades. ALL make-up exams and quizzes require a documented, EXCUSED absence in order to receive a re-take. An excused absence is defined by the university policy and instructor’s discretion as a documented illness, death/funeral, religious observation, or UTT athletics. Students MUST provide some form of appropriate documentation in order to make-up missed assignments.

4. Social Media, Facebook, and Appropriate Behavior:
   Please do not use the internet or text on your phone throughout class. I understand that I can’t enforce this 100%, but if it is obvious that you are distracted, I will ask you about it. Consistent use of social media during class lectures (i.e. laughing, being on your phone) may result in a reduction in points. Furthermore, any disruptions in class due to inappropriate behavior (i.e. talking during a lecture, inappropriate statements, discriminatory remarks, etc.), may also result in a reduction of points. If a student is consistently disrupting learning, they will be asked to leave and reported to the dean of student affairs.

UNIVERSITY POLICIES

STUDENT RIGHTS AND RESPONSIBILITIES
To know and understand the policies that affect your rights and responsibilities as a student at UT Tyler, please follow this link: http://www.uttyle.edu/wellness/rightsresponsibilities.php

GRADE REPLACEMENT/FORGIVENESS AND CENSUS DATE POLICIES
Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. Grade Replacement Contracts are available in the Enrollment Services Center or at http://www.uttyle.edu/registrar. Each semester’s Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

FAILURE TO FILE A GRADE REPLACEMENT CONTRACT will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

THE CENSUS DATE IS THE DEADLINE for many forms and enrollment actions that students need to be aware of. These include:

SUBMITTING GRADE REPLACEMENT CONTRACTS, TRANSIENT FORMS, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
Schedule adjustments (section changes, adding a new class, dropping without a “W” grade)
Being reinstated or re-enrolled in classes after being dropped for non-payment
Completing the process for tuition exemptions or waivers through Financial Aid

STATE-MANDATED COURSE DROP POLICY
Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date).
Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.

DISABILITY SERVICES
In accordance with federal law, a student requesting accommodation must provide documentation of his/her disability to the Disability Services counselor. If you have a disability, including a learning disability, for which you request an accommodation, please contact the Disability Services office in UC 3150, or call (903) 566-7079.
STUDENT ABSENCE DUE TO RELIGIOUS OBSERVANCE
Students who anticipate being absent from class due to a religious observance are requested to inform the instructor of such absences by the second class meeting of the semester.

STUDENT ABSENCE FOR UNIVERSITY-SPONSORED EVENTS AND ACTIVITIES
If you intend to be absent for a university-sponsored event or activity, you (or the event sponsor) must notify the instructor at least two weeks prior to the date of the planned absence. At that time the instructor will set a date and time when make-up assignments will be completed.

SOCIAL SECURITY AND FERPA STATEMENT
It is the policy of The University of Texas at Tyler to protect the confidential nature of social security numbers. The University has changed its computer programming so that all students have an identification number. The electronic transmission of grades (e.g., via e-mail) risks violation of the Family Educational Rights and Privacy Act; grades will not be transmitted electronically.

EMERGENCY EXITS AND EVACUATION
Everyone is required to exit the building when a fire alarm goes off. Follow your instructor’s directions regarding the appropriate exit. If you require assistance during an evacuation, inform your instructor in the first week of class. Do not re-enter the building unless given permission by University Police, Fire department, or Fire Prevention Services.

STUDENT STANDARDS OF ACADEMIC CONDUCT
Disciplinary proceedings may be initiated against any student who engages in scholastic dishonesty, including, but not limited to, cheating, plagiarism, collusion, the submission for credit of any work or materials that are attributable in whole or in part to another person, taking an examination for another person, any act designed to give unfair advantage to a student or the attempt to commit such acts.
(i) “Cheating” includes, but is not limited to:
• copying from another student’s test paper;
• using during a test, materials not authorized by the person giving the test;
• failure to comply with instructions given by the person administering the test;
• possession during a test of materials which are not authorized by the person giving the test, such as class notes or specifically designed “crib notes”. The presence of textbooks constitutes a violation if they have been specifically prohibited by the person administering the test;
• using, buying, stealing, transporting, or soliciting in whole or part the contents of an unadministered test, test key, homework solution, or computer program;
• collaborating with or seeking aid from another student during a test or other assignment without authority;
• discussing the contents of an examination with another student who will take the examination;
• divulging the contents of an examination, for the purpose of preserving questions for use by another, when the instructor has designated that the examination is not to be removed from the examination room or not to be returned or to be kept by the student;
• substituting for another person, or permitting another person to substitute for oneself to take a course, a test, or any course-related assignment;
• paying or offering money or other valuable thing to, or coercing another person to obtain an unadministered test, test key, homework solution, or computer program, or information about an unadministered test, test key, homework solution or computer program;
• falsifying research data, laboratory reports, and/or other academic work offered for credit;
• taking, keeping, misplacing, or damaging the property of U. T. Tyler, or of another, if the student knows or reasonably should know that an unfair academic advantage would be gained by such conduct; and,
• misrepresenting facts, including providing false grades or resumes, for the purpose of obtaining an academic or financial benefit or injuring another student academically or financially.

(ii) “Plagiarism” includes, but is not limited to, the appropriation, buying, receiving as a gift, or obtaining by any means another’s work and the submission of it as one’s own academic work offered for credit.
(iii) “Collusion” includes, but is not limited to, the unauthorized collaboration with another person in preparing academic assignments offered for credit or collaboration with another person to commit a violation of any section of the rules on scholastic dishonesty.

COLLEGE OF EDUCATION AND PSYCHOLOGY VISION, MISSION, & PROGRAM STANDARDS

VISION
The College of Education and Psychology is nationally recognized and respected for its academic programs and opportunities. It is a center of academic excellence, scholarly inquiry, and public service. The College prepares leaders to meet the critical challenges of the 21st Century, to make significant contributions to local and global communities, and to work toward individual and cultural equity.

MISSION
The mission of the College of Education and Psychology is to provide a positive environment that fosters the acquisition of knowledge and skills. The mission is individually and collectively realized through a community of scholars that contributes to knowledge through scholarly inquiry; organizes knowledge for application, understanding and communication; and provides leadership and service. Additionally, the College is committed to affirming and promoting global perspectives, cultural diversity, and respect for individual differences as a means of enhancing learning, service, and scholarship.
