Discussion Boards:

There will be eight module items that should be addressed on the discussion board. To earn maximum points in this class you MUST complete the task during the assigned time, and follow the instructions given in that module.

Required Text, Materials/Supplies, and Related Readings:

Frankl, V. (19XX) Man’s Search for Meaning.

Course Policies:

Cheating on quizzes, exams, and the paper is expressly forbidden. When taking an exam please leave space between you and the people sitting next to you, and keep your eyes on your own test only. Please review the academic dishonesty policies of the University of Texas at Tyler. Do not use any portion of a paper you or anyone else wrote in your Frankl Reflection paper. Using portions of (or all of) a paper for two separate assignments is called self-plagiarism and will result in a failing grade on the assignment.

Participation is very important due to the hybrid nature of this class. You must attend all classes to earn full credit for the class. An excused absence requires that you send an email prior to missing the class, unless there is an emergency and you are physically or mentally unable to contact Dr. Barke’ or the TA in advance. Examples of an excused absence would be health related and should be accompanied by a doctor’s note (either for yourself or a dependent), or an emergency outside of your control.

Important Dates for Readings and tests:

Please note: The PowerPoints should serve as a good summary, but it’s recommended that you read/skim each chapter first, then review the PowerPoints. The chapters in the books are interesting, so skimming first, then paying attention to the lectures will make remembering the material much easier. Each quiz will cover the material covered in the class prior to the quiz, plus any basic building blocks for the class.

Grade Replacement/Forgiveness and Census Date Policies

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. (For Fall, the Census Date is Sept. 12.) Grade Replacement Contracts are available in the Enrollment Services Center or at http://www.uttyler.edu/registrar. Each semester’s Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at
UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date (Sept. 12th) is the deadline for many forms and enrollment actions of which students need to be aware. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a “W” grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid

State-Mandated Course Drop Policy

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date).

Exceptions to the 6-drop rule may be found in the catalog. Petitions or exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.
