Course Description: Application of client centered outcomes in intervention planning for middle to older adult practice including neurological, musculoskeletal, general medical and acquired conditions. Application of clinical reasoning skills as part of the intervention process as appropriate for the client population and setting.

Focus on frames of reference and models of practice.

Credits: 2

Course Objectives:

1. Identify middle and older adult occupations.
2. Demonstrate task analysis, therapeutic use of self and ethical principles to deliver interventions.
3. Recognize underlying components of middle and older adult occupations and how to grade/adapt occupations to facilitate participation and engagement.
4. Develop evidence based intervention base on assessment results and client needs.
5. Articulate client outcomes measures in middle or older adult populations.
6. Identify frames of reference, service models, referrals, reimbursement and regulations in middle to older adult populations.
7. Plan intervention processes for a variety of cases, including roles of OTR and COTA within desired treatment plan using the OTPF.
8. Apply foundational knowledge, previous professional experiences and new academic learning to fieldwork and community engagements to meet the needs of client in various contexts and cultures reflecting ethical practice.

Connection to the MOT Curriculum

Essential Knowledge & Professional Skills

This is the third of three courses focusing on essential knowledge and professional skills in interventions and outcomes across the lifespan. This course focuses on interventions and outcomes and communication of conditions and abilities in the middle and older adult population. Within the middle and older adult population, the student will employ previous knowledge towards middle and older adult practice and refining clinical reasoning skill sets in interventions and client outcomes. Focus is on applying evaluation results to intervention planning and implementation within a variety of contexts and conditions.

Learning Activities Required for Course Credit

Individual intervention planning based on assessment reports

Group intervention planning based on client needs and assessment reports/context

Integration of supportive evidence in intervention plan

Competencies demonstrated: transfers, adaptive equipment for ADLs/IADLS Exam

Grading

Assignments and Quizzes	25%
Exams	25%

UT Tyler a Tobacco-Free University

All forms of tobacco will not be permitted on the UT Tyler main campus, branch campuses, and any property owned by UT Tyler. This applies to all members of the University community, including students, faculty, staff, University affiliates, contractors, and visitors. Forms of tobacco not permitted include cigarettes, cigars, pipes, water pipes (hookah), bidis, kreteks, electronic cigarettes, smokeless tobacco, snuff, chewing tobacco, and all other tobacco products. There are several cessation programs available to students looking to quit smoking, including counseling, quit lines, and group support. For more information on cessation programs please visit www.uttyler.edu/tobacco-free.

Grade Replacement/Forgiveness and Census Date Policies

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. (For Fall, the Census Date is Sept. 12.) Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar. Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are

printed on each Grade Replacement Contract. The Census Date (Sept. 12th) is the deadline for many forms and enrollment actions of which students need to be aware.

These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a “W” grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid.

State-Mandated Course Drop Policy

1. “Cheating” includes, but is not limited to:

- Copying from another student’s test paper,
