

IRB APPLICATION & REVIEW PROCESS

Process to submit an IRB application for initial review

Step 1:

Complete a FORM 26- PROJECT SUMMARY

Step 2:

Data Entry of Submission into IRBManager Online Portal

Step 3:

PI Review and Signature

Step 4:

Conflict of Interest Signatures Required For All Individuals Listed on a Funded Protocol

This will generate an IRB Manager account to submit further documentation

You may complete the data entry yourself or seek assistance from the Clinical Research Office

An electronic signature will be obtained for the documents in step 3 and 4
