

Office of Research and Scholarship Fall 2021 Workshops

UT Tyler Faculty, Staff and Students are Welcome to Attend

Title	Description	Date	Time	Instructors	Location/Zoom
Applying for External Funding	Attend this workshop to learn about the services available to help you apply for external funding to support your work.	09/13	12:00 p.m.	Kay Jenkins and/or Susan Rossman	Zoom
Using Pivot [®] to Find Research Funding Uniquely Targeted to You	Pivot is an online database of funding sources available to all faculty, staff, and students. Learn how to build your Pivot profile, identify potential collaborators, and create and save personalized searches.	09/27	12:00 p.m.	Kay Jenkins and/or Dr. Carla Reichard	Zoom
Library Tools to Expand Your Literature Review: Scopus	This bibliographic database will help you expand your literature review, discover and network with researchers in your field, and maintain your personal author profile. Use Scopus in conjunction with Web of Science for the strongest literature searching.	10/18	12:00 p.m.	Sarah Norrell	Zoom
Library Tools to Expand Your Literature Review: Web of Science	This bibliographic database will help you expand your literature review, discover and network with researchers in your field, and maintain your personal author profile. Use Web of Science in conjunction with Scopus for the strongest literature searching.	10/25	12:00 p.m.	Sarah Norrell	Zoom
Grant Budgets and Budget Narratives	What should be included in a grant budget and the budget narrative? What is meant by Indirect Cost Rate and why does it matter? Participants will work through example budgets in this workshop.	10/27	12:00 p.m.	Kay Jenkins and/or Dr. Carla Reichard	Zoom
Staying Up to Date on the Research Process	Come learn about resources that will support your research methods, keep your research on track, and even support your students' research knowledge and understanding.	11/02	12:00 p.m.	Sarah Norrell	Zoom
Internal Grants: Facilitating Faculty and Staff Research and Collaboration	The University of Texas of Tyler Internal Grants Program offers faculty and staff an annual opportunity to apply for funding to acquire the experience and data they need to then apply to external funding sources. In this workshop, participants will learn about the types of grants offered, proposal requirements, and award requirements.	11/10	12:00 p.m.	Kay Jenkins and/or Dr. Carla Reichard	Zoom
National Science Foundation	Learn about NSF programs, upcoming funding opportunities, grant proposal requirements, and using Research.gov.	12/03	12:00 p.m.	Kay Jenkins and/or Dr. Carla Reichard	Zoom
