Faculty must be appointed for at least $50 \%$ time for at least 4.5 continuous months to be eligible. Students employed in positions which require student status as a condition of employment, are not eligible for paid holiday leave.

The Texas legislature determines the number of holidays observed by all state agencies and institutions of higher education. The total number of holidays consists of various national and state holidays. Institutions of higher education are granted flexibility to establish their own schedules. The university observes the same number of holidays as other state agencies though the schedules may differ.

## Floating Holidays

To align policies for all UT Tyler employees, four (4) floating holidays (32 hours) will be awarded for FY 2023-2024. These floating holidays may be used any time during the fiscal year, with department leader approval. Floating holidays that are not used on or before the end of the current fiscal year (August 31, 2024) will be forfeited. Floating holiday hours will not be paid when an employee leaves employment.

## Winter Break

Winter break is observed between Tuesday, December 26, 2023, through Friday, December 29, 2023. Academic employees who wish to observe this break may use their floating holiday allotment during this time, with department leader approval.

## Religious Holidays

It is the policy of UT Tyler to provide reasonable accommodation to employees who wish to observe a religious holiday that occurs on a day the University is scheduled to be open. Employees who wish to observe a religious holiday or holy day should refer to the policy.
