Academic Calendar

2020-2021

This Academic Calendar lists official dates for all academic sessions within the Fall 2020, Spring 2021, and Summer 2021 semesters. Information on dates related to key Financial Aid dates, refunds, and specific final exam dates are hosted separately; see the links below.

- Refunds: <https://www.uttyler.edu/cashiers/refund.php>
- Financial Aid: <https://www.uttyler.edu/financialaid/finaidcalendar.php>
- Final Exams: <https://www.uttyler.edu/schedule/files/final-exam-schedule.pdf>

Expanded definitions and context are provided below for several key terms used within the Academic Calendar:

- **Census Date:**
 - This is the final date for many enrollment-related actions, including adding new courses, changing sections, or dropping courses without incurring grades of “W” or “Q”. See the [Registrar website](#) for additional details.
- **Last day to withdraw from one or more courses:**
 - This is the final date students are eligible to withdraw from courses for grades of “W” or “Q”. After this date students can no longer formally drop/withdrawn from courses, and will receive grades based upon the work completed if they choose to discontinue attendance.
- **Priority filing date for graduation:**
 - This is the date students are encouraged to file for graduation by so their applications can be reviewed prior of the start of their final semester of enrollment.
- **Final filing deadline for graduation:**
 - This is the final date applications for graduation are accepted for the term; the application closes automatically at 11:59PM CST. Students who do not file their applications by this deadline are deferred to apply for graduation in the next available semester.
- **Deadline to resolve outstanding items for graduation:**
 - Per the Verification of Degree policy, this is the final date by which all graduation requirements (e.g. grades of incomplete, transcripts from other institutions) must be finalized. If the requirements have not been verified by this date, the student will be denied graduation and must re-file for graduation subject to the filing for graduation guidelines.

Certain important dates on the left-hand calendar portion are highlighted to indicate why they are significant to students and/or faculty and staff. The coloring of these highlights is explained below:

Color	Significance
Green	First day of an academic session
Yellow	Final day of an academic session
Red	Due dates and/or deadlines
Orange	University is closed or on skeleton workforce
Blue	General important dates, including first dates for enrollment or graduation applications

Holiday Leave

Employees appointed to work at least 20 hours per week for a period of at least 4.5 continuous months are eligible for holiday leave. Faculty must be appointed for at least 50% time for at least 4.5 continuous months to be eligible. Students employed in positions which require student status as a condition of employment, are not eligible for paid holiday leave.

The Texas legislature determines the number of holidays observed by all state agencies and institutions of higher education. The total number of holidays consists of various national and state holidays. Institutions of higher education are granted flexibility to establish their own schedules. The university observes the same number of holidays as other state agencies though the schedules may differ.

The legislature stipulates we can only observe holidays that fall on a weekday. If a holiday falls on a Saturday or Sunday, we cannot observe it on a different day such as the previous Friday or the following Monday.

An employee who wishes to observe a religious holiday(s) may do so per the guidelines provided in the Handbook of Operating Procedures.

Skeleton Workforce Required

In accordance with the provisions of the Texas Government Code, the university must provide minimum services on skeleton workforce days. This does not apply to a holiday that falls on a Saturday, Sunday, the Friday after Thanksgiving Day, or the 24th or 26th of December. Vice Presidents will determine how their reporting departments will handle skeleton crews.
