

## UT Tyler Methodology – HEERF III (ARP)

### 1) UT Tyler HEERF III (ARP) Awarding Methodology Funding process

- A) Students will fill out an online form to request the grant. Students will indicate they have incurred COVID-19 related expenditures in Cost of Attendance (COA) categories. Students will also indicate whether they choose to apply the grant award to their account balance.
- B) The application will remain open for a three-week period.
- C) Students will be notified of award status within 1-2 weeks of application closing.
- D) If a student is awarded, the funds will pass through their student account, but will not apply to any outstanding charges, unless affirmative student approval to do so is on file. Grants for which students elected to receive directly will be refunded to the student through the refund preference they have selected with BankMobile. UT Tyler has partnered with BankMobile Disbursements to deliver financial aid and other school refunds to UT Tyler students.
- E) Need prioritization will be determined based on students with the greatest need, such as Pell Grant recipients, established by the FAFSA EFC and Unmet Need.
- F) The maximum grant is \$4,000.
- G) The table below shows the awarding range.

EFC Calculation	
EFC	Award
0 - 2000	4000
