To qualify the student must have successfully completed one academic year and be in good academic standing. The practical training must be a degree requirement or planned option in the student's degree plan.

Please indicate how the CPT is integral to the curriculum by selecting one of the following:

_____ The training is an integral part of the students' program of study, OR

_____ The training must be part of a course, which is either required by the students' degree program, OR

_____ The training is part of a course for which the student receives academic credit, OR

_____ The course is listed in the UT Tyler catalog as "Internship" or "Practicum", OR

_____ Completion of this internship fulfills the requirements of a course that is required to graduate (for example, a department-approved elective).
