Statement of Understanding

Upon submission of this request for an Economic Hardship I-20, I understand the following:

USCIS processing often takes 3-4 months and there is no guarantee of USCIS approval.

If I do not use the OIP office address for this application I must supply my international advisor with copies of my I-765 receipt and EAD.

I cannot begin working until I have the EAD and have reached the start date listed on the EAD.

I cannot continue to work past the original EAD end date unless I have a renewal EAD in hand and have reached the start date listed on the EAD.

To the best of my knowledge, I have provided all the necessary documents and supplied true and accurate information.
